

IEMS 2023- THE 29TH CONFERENCE

The International Conference on Industry, Engineering, and Management Systems emphasizes the integrative nature of business, management, computers and engineering within a global context. It provides a forum where engineering and management professionals can share and exchange their ideas in a professional yet relaxing and friendly environment.

WHEN

Sunday, March 5th to
Tuesday, March 7th, 2023

HYBRID

Virtual & In-person
Sheraton Sand Key Resort, Florida

INDUSTRY ENGINEERING & MANAGEMENT SYSTEMS CONFERENCE

IEMS MISSION

The IEMS Conference seeks to highlight the integration of business & engineering. Presenters representing academia and industry from all over the globe have the opportunity to share their research, exchange ideas and discuss the latest developments in their fields.

CALL FOR ABSTRACTS

Papers must be presented at the conference in order to be considered for publication in the Journal for Management and Engineering Integration (JMEI), OR the Conference Proceedings. The JMEI is published biannually.

All submissions are subject to double-blind reviews. Click for more details: <https://www.iemsconference.com>

The Sheraton Sand Key Resort is on Florida's famous Gulf Coast, and provides guests with an array of amenities. Located in beautiful Clearwater Beach, it is just 40 minutes away from Tampa and its many attractions.. March is peak travel season, so be sure to reserve your room by February 21st for a conference rate

[BOOK YOUR GROUP RATE HERE](#)

ABSTRACT DEADLINE

January 21, 2023

REGISTRATION DEADLINE

Registrations not received by February 14th will have their abstracts pulled from the Conference Program.

REGISTRATION RATES

Early Bird: \$600 by 1/18/2022

Late Rate: \$650 by 2/14/2022

Students: \$400

Guests: \$60

[**WWW.IEMSCONFERENCE.COM/
REGISTRATION**](https://www.iemsconference.com/registration)

REGISTRATION PERKS

- 2- day conference attendance
- Conference packet & conference program
- E-copy of the Journal of Management and Engineering Integration, or Conference Proceedings

CONFERENCE TRACKS

Additive Manufacturing

Krishna Krishnan, Wichita State University

Artificial Intelligence & Machine Learning

Hongsheng He, Wichita State University

Automation, Modeling, and Simulation

Andrzej Gapinski, Penn State University

Business Analytics

John Wang, Montclair State University

Complex Systems Performance & Improvement

Wilfredo Moscoso, Wichita State University

DBA Case Studies

B. Andrew Cudmore, Florida Institute of Tech

Education Leadership

Abdelnasser Hussein, U of Houston-Downtown

Engineering Innovations

Zhao Zhang, Missouri Western State

Human Factors & Cognitive Engineering

Deborah Carstens, Florida Institute of Tech

Innovation Management

Abram Walton, Florida Institute of Tech

Leadership and Diversity

Alexandra Schönning, U of North Florida

Lean Systems

Deepak Gupta, Wichita State University

Management of Technology

Gordon Arbogast, Jacksonville University

Marketing

Scott Swain, Clemson University

Nanomaterials & Nanoengineering

Eylem Asmatulu, Wichita State University

Quality Planning & Process Improvement

Roger Merriman, Wichita State University

Supply Chain Management & Logistics

Ewa Rudnicka, University of Pittsburgh

Sustainability & Industry 4.0

Mehmet Yildirim, Wichita State University

SID Talk (undergraduate students only)

Farah Weheba, People Rocket

IEMS OFFICERS

Conference Chair Gamal Weheba, Wichita State University

Program Chair Hesham Mahgoub, ERIGeosciences, Inc.

Publications Editor Edwin Sawan, Wichita State University

Technical Director Dalia Mahgoub, Lockheed Martin

ABSTRACT GUIDELINES

Abstracts should not contain more than 50 words and include the track, authors' affiliation, and contact information.

SUBMIT YOUR ABSTRACT USING THE IEMS WEBSITE

www.iemsconference.com/submission

ABSTRACT DEADLINE

January 21, 2023

THE 29TH CONFERENCE

We specialize in manufacturing of parts and assemblies for the Aerospace Industry. Shuttle Aerospace is specialized in metallic and non-metallic machined components, including all applicable types of heat treatment, surface finishing, and welding.

Cybertron PC debuts the new CLX brand: the Cybertron Luxury Experience. After 19 years of PC building and custom requests, CLX was created for the discerning gamers who demand the best. CLX offers a selection of aggressive customization to boost performance, while our design team can create custom paint and lighting that will turn your gaming system into a breathtaking work of art.

.....
WICHITA STATE
UNIVERSITY

College of Engineering

Since 1928, Wichita State's College of Engineering has built a reputation for equipping engineering and computing students with the most complete education possible. From hands-on research using the latest technology to our location in Kansas' center of industry—with its virtually unlimited jobs, applied learning and professional connections—Shocker engineering students have everything they need to make their dream careers a reality.
